

XIII International Rice Conference for Latin America and the Caribbean

Federico Kukso
Speaker

Topic:

"Stories that matter: the communication
around rice in the era of hyper information"

Independent science journalist from Argentina

He is a board member of the World Federation of Science Journalists (WFSJ). 2015-16 Knight Science Journalism Fellow at MIT. He specialized in history of science and STS (Science and Technology Studies) at Harvard University. He writes about science, technology, and culture for La Nación (Argentina), Agencia Sinc (Spain), Tec Review (Mexico), Le Monde Diplomatique. He is the author of two books: "All You Need to Know about Science" and "The Bathrooms Weren't Always Like This." He is also member of the Argentinian Network of Science Journalism.
