

XIII International Rice Conference for Latin America and the Caribbean

Kazuki Saito
Speaker

Topic:

**"Sustainable farming systems, a Flagship
project of the RICE research program by CGIAR"**

Agronomist. Ph.D. in Agriculture

Agronomist employed by the Africa Rice Center (AfricaRice), based in Côte d'Ivoire. He has more than 15 years of work experience in both Asia (2000-2005) and sub-Saharan Africa (2006-present). Currently he leads a multi-institutional Flagship Project 3: 'Sustainable farming systems' as part of the new RICE CRP led by IRRI (2017-present). Also he is a research fellow in the Japan International Research Center for Agricultural Sciences (JIRCAS).
